

THE BLACK TULIP SOCIETY

ALPINE RETREAT

JANUARY 23-30

A Week of Skiing, Friendship & Alpine Charm

The Tulip Society invites you

The Tulips Society invites you to join us for a week of skiing, friendship & Alpine charm

This January, we are heading to Châtel for a week of winter revelry. Expect days on the slopes of Les Portes du Soleil, long mountain lunches, and afternoon après-ski parties. All members are welcome to join whether you're a first-time skier or a seasoned veteran. You are free to spend your time exactly as you like; there is no obligation to ski every day.

Together we will share an alpine chalet, where we will retreat in the evenings to enjoy the bar, sauna, and, inevitably, the celebrations that follow.

The atmosphere will be distinctly Tulip: warm, intimate, social, and elegant without ever becoming stiff. It is all about staying active and connecting, whether you are carving turns on the snow or showing your best moves during the après ski.

- Seamless Cross-Border Skiing, experience the unique experience of skiing effortlessly between France and Switzerland in the same day.
- Fun for Every Skill Level, the area offers a perfect mix of wide tree-lined cruisers for beginners and steep terrain for more skilled skiers
- Les Portes du Soleil benefits from a unique alpine microclimate that delivers exceptional and reliable snow coverage.

Accommodation

For one week, Châtel becomes the Society's Alpine retreat. The 320 m² chalet accommodates 20 people, with a proper bed available for every guest, so no sofa beds. It has seven bedrooms and seven bathrooms, comprising three four-person bedrooms and four two-person bedrooms.

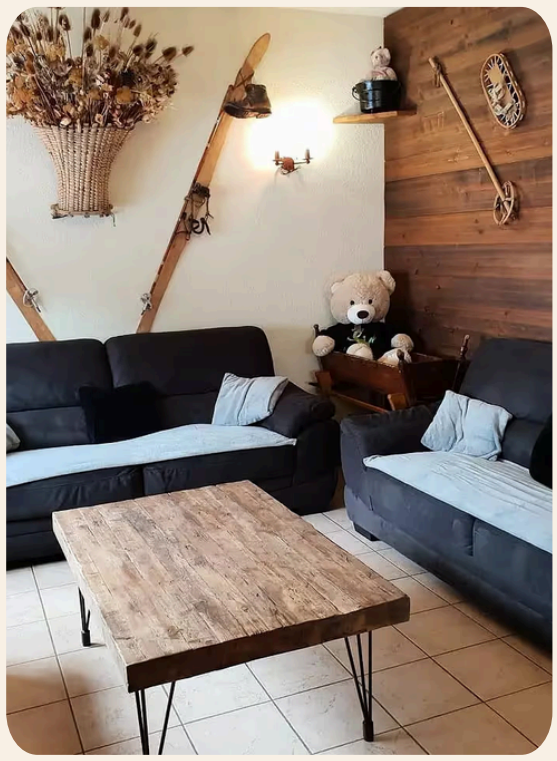

The first floor is the social heart of the chalet, with a bar, kitchen, walk-in pantry and a large living and dining area opening onto a terrace. Downstairs, there is a sauna and ski room, giving the chalet everything required for a week in the mountains.
